Dear Shri Raghuram,

21305

Dated: July 13, 2010

14 JUL 2010

I have reviewed the status of claims settled upto 30.06.2010 and noticed that the number of payments made through e-payment module is far less in respect of the following offices under your jurisdiction:-

Name of Office

%age of payment through e-payment module

(i) Hyderabad
(ii) Bhubaneshwar

8.86%

0.93%

2. The poor performance reflects upon the low interest taken by the Officers-in-Charge in this regard, since more than one month has passed that it was initiated. You are, therefore, advised to call an explanation from the Officer-in-Charge of the above office(s) and those directly in-charge of handling.

3. Further I may add here that during the course of my visit to several offices and discussions with some officers, it was revealed that while settling a claim, many dealing hands are, as a matter of routine, clicking on a cheque option instead of NEFT option. This is serious breach of discipline and firm action needs to be taken against such delinquent dealing hands if they are not complying with the directions given to them.

4. Please ask all the Regional Offices/Sub-Regional Offices to impress upon the dealing hands to use NEFT mode for payment of settled amounts, and all the Officers-in-Charge of Accounts of the regions should monitor this, and send fortnightly reports to Finance Wing.

With regards,

Yours sincerely,

(S. CHATTERJEE)

Shri S. Raghuram,
Addl. CPFC (AP/OR)
