Subject:- Release of next issue of EPF newsletter -- regarding.

Sir,

At the outset, we feel encouraged on the positive response of the first issue of EPF quarterly newsletter (September 2009) and accordingly, we propose to bring the next issue of the newsletter in this series by April-June Quarter 2010.

All of us have experienced that in recent past the challenges and pressure for demand driven service delivery by the external and internal customers in the social security sector has increased due to fast paced economic growth.

The international and national strategies on a well defined social security management system has emerged as one of the key essential features for public management. The social expenditure through high volume of withdrawal of PF benefits and enhanced registration of new membership under EPF & Miscellaneous Schemes contribute to the economic efficiency of our country, but at the same time our performance at Unit / Headquarter-level is noticed closely by all concerned.

The credible information on the accomplishments by the EPFO team in the field and Head office have been flowing in through formal and non formal communication channels. It is, therefore, earnestly requested to all of you to provide inputs / news items that are based on exploratory studies, new tools adopted on performance issues, grievance management system, effective framework developed on compliance management and status of NIC supported modernization project etc. in the different business areas of our organization.

—Based on the receipt of inputs / news items / photographs and other knowledge products from all of you, the editorial team at Head Office shall review and a well structured informative newsletter will be published. The same may kindly be e-mailed at pub.epfo@gmail.com and a hard copy of the same may also be provided. Your cooperation and timely response is requested.

[This issues with the approval of Competent Authority].

Yours faithfully,

(Satish Chandra)

Regional P.F. Commissioner-I (Publicity)
