Sub: Application received in Form 13 (R) from the subscribers for Transfer of PF accumulations – Quick disposal thereof - Regarding.

Sir,

The provisions of Section 17A of the EPF & MP Act 1952 and Para 57 of the EPF Scheme 1952 enable an employee to transfer his PF accumulations consequent upon change in his employment from one Region to another Region and in the establishments within the same Region.

Instances have come into the notice of Head Office where number of applications are received in the field offices in Form 13 (R) for transfer cases under the above provisions but could not be transferred by one reason or another. The time for transfer takes lot of time from one account to another and even after settlement of current account where the funds of earlier account would have been credited on such transfer. As a result of this, such fund lies as 'Inoperative Fund' due to non availability of member's account. This being one measure by which number of inoperative accounts are increasing day by day.

Accordingly, it is advised that all the Inter/Intra Regional transfer cases received in Form 13 (R) be disposed off on priority basis within the time frame as stipulated for settlement of PF claims so as to minimize the grievances on non transfer of funds.

Yours faithfully,

(ABHAY K. SINGH)
