**Sub:- Coverage of establishment and increase in membership establishments of infrastructure/real estate**

Sir,

Attention is invited to this Office Circular letter No. C-III/4(187)11/HQ/33251 dated 31.10.2011. As stated therein the progress in coverage of establishments has been far behind than the target set for the Region and there is still a large scope of coverage and increase in membership.

A number of references are being received from various stakeholders in regard to gap in the coverage of establishments and membership in the Building & Construction Industry. It is therefore, emphasized that all efforts should be made to bring these establishments and the employees working in such establishments within the purview of the EPF & MP Act. As stated earlier also, evasion in membership should also be checked and the programme may be monitored regularly.

(This issues with the approval of CPFC)

Yours faithfully'

  
(K.C. Pandey)  
Addl. Central P.F. Commissioner (Compliance)
