Sub: Coverage of establishments and increase in membership to meet the targets in the Results framework Document.

Sir,

Review of achievement of targets (April-July 2011) mentioned in Results Framework Document (RFD), circulated by Head Office vide letter No. MIS-3(1) RFD/MO&LE/2009-10/Vol dated 09.09.2011 has revealed that the progress in coverage of establishments has been far behind than the target set for the Regions. Thus, it is felt that there is a large scope of coverage and increase in membership. It is therefore, directed that adequate steps be taken in order to meet the target of RFD and all coverable Establishments are brought under the purview of the EPF&MP Act, 1952. During the course of inspection emphasis may also be given to check evasion in membership and conduct inspection of branches of the estt.covered in other region under section 2 A of the Act. The complete Reports with regard to such inspections shall be sent to the regions from where the estt.is covered for necessary action.

The program of RFD may also be monitored APFC and AEO-wise and list of Officers failed to achieve target may be prepared to take necessary action against such Officers.

Yours faithfully,

(K.C. Pandey)
Addl. Central PF Commissioner (Compliance)
