Ref.: This office letter no. LC/3(1)/06/Policy matter/43975 dt. 12-01-2012

Sir,

In the meeting of Standing Committee of Parliament on Labour and Employment while considering the matter for expediting the recovery of dues, a commitment was given that in order to expedite the recovery of dues as regular performance review of our panel advocates will be undertaken and only effective advocates will be empanelled so that our cases are defended properly, stays are vacated and dues are recovered. It was also assured that the performance of panel advocates would be monitored regularly and appropriate action to depanel the non-performing ones will be taken.

During review it is observed :

- That this assessment of the performance review of panel advocates has not been done by respective RO/SRO including the officials in-charge of legal matters.
- That several complaints from various quarters against the performance of panel advocate for EPFAT for not functioning effectively is being received.

It is therefore, requested that performance of all the panel advocates in respect of your office be assessed and same be furnished to this office for placing before competent authority. Your report should accompany specific comments on the performance of the advocates and further continuation in the panel.

Yours faithfully
